

ALEATICA

Smart & Sustainable Infrastructure

ALEATICA INFORMS ABOUT THE STATUS OF THE SALE OF ALEATICA'S INTEREST IN TOLUCA INTERNATIONAL AIRPORT.

Mexico City, June 10, 2020.- In connection with: (i) the relevant event issued by Aleatica on August 14, 2019 (the "ER of August 14"); the news article published on June 8, 2020 in "El Economista"; and (iii) the communication received today from the National Banking and Securities Commission requesting to evaluate the need of updating the public information on the matter; Aleatica informs the market that, today, it held an informal communication with Grupo Aeroportuario de la Ciudad de México, S.A. de C.V. ("GACM") in which GACM confirmed its interest to continue with the negotiation process for a possible acquisition (the "Potential Transaction") of the shares owned by Administradora de Acciones de Toluca, S.A. de C.V.'s ("AAToluca"), representative of 49% of the capital stock of Administradora Mexiquense del Aeropuerto Internacional de Toluca, S.A. de C.V. ("AMAIT") , and informed that such process will suffer delays due to the difficulties posted by the existing COVID-19 contingency.

As it was informed in the ER of August 14, the Potential Transaction is subject, among others, to the negotiation, execution and implementation of the necessary definitive documents to carry out the Potential Transaction, including the corresponding acquisition agreement.

Likewise, the Potential Transaction is subject to the obtainment of the necessary corporate, governmental and third-party authorizations.

About Aleatica, S.A.B. de C.V.

Aleatica, S.A.B. de C.V. is positioned as a relevant transport infrastructure operator in the industry within the metropolitan area of Mexico City, both for the number of concessions awarded and the miles of highways under management. Currently, Aleatica, S.A.B. de C.V. builds, manages, operates and maintains 7 toll roads and one airport. The highway and related infrastructure concessions are located in urban areas with high vehicular traffic in Mexico City, the State of Mexico and the State of Puebla. In the airport sector, Aleatica participates in the integral management of the second largest airport serving the Mexico City metropolitan area.
