NOTIFICATION OF AMPARO CLAIM IN CONNECTION WITH THE ACQUISITION OF ALEATICA'S SHARES THROUGH THE PTO 2023

Mexico City, October 30, 2023. In terms of article 50, paragraph III, sub-paragraph i), of the Issuers Sole Regulation (*Circular Única de Emisoras*), Aleatica, S.A.B. de C.V. ("Aleatica" or the "Company") (BMV: "ALEATIC") hereby informs the market that today it was notified of the amparo claim detailed below, in connection with the public tender offer for Aleatica's shares placed amongst the general investing public, launched by Aleatica, S.A.U. on August 30, 2023 (the "PTO 2023"), which results were informed by the Company through the relevant event dated September 27, 2023. As informed, the PTO 2023 had an acceptance rate of 99.56% by public shareholders who sold their Aleatica shares thereunder, and it was concluded and liquidated on October 5, 2023.

The amparo claim was filed by Tecnología Aplicada Infraiber, S.A. de C.V. ("Infraiber") related to the authorization granted by the National Banking and Securities Commission for the conduction of the PTO 2023 and certain related legal provisions. As such, it is important to note that the Company is not the plaintiff nor defendant (responsible authority) in the referred amparo proceeding, but has only been named as a third-party with interest in the proceeding.

This is not the first time that Infraiber, directly and/or indirectly, has taken legal actions in matters related with Aleatica, its controlling shareholders and/or its subsidiaries, and it is worth mentioning that, thus far, none of such legal actions has been successful.

The Company will exercise its rights before the relevant authorities, in accordance with applicable legal provisions.

About Aleatica, S.A.B. de C.V.

Aleatica, S.A.B. de C.V. is positioned as a relevant transport infrastructure operator in the industry within the metropolitan area of Mexico City, both for the number of concessions awarded and the miles of highways under management. Currently, Aleatica, S.A.B. de C.V. builds, manages, operates and maintains 7 toll roads and one airport. The highway and related infrastructure concessions are located in urban areas with high vehicular traffic in Mexico City, the State of Mexico and the State of Puebla. In the airport sector, Aleatica participates in the integral management of the second largest airport serving the Mexico City metropolitan area.
